

QUALITY POLICY STATEMENT

Scope

Construction, Design and Multi sector construction contractor, including all types of refurbishment and construction activities.

Vision

To be the company customers want to work with, people want to work, for and the industry respects.

Goals

- Delivering industry leading expertise, customer and employee experience, that innovatively and profitably delivers solutions.
- Using our business as a force for good, positively impacting people, companies, and communities: PEOPLE MAKE PLACES

Our Commitment:

To support the business in achieving the goals of our operations at our offices and our construction sites, Seddon Construction have developed and implemented an independently certified Quality Management System complying with the requirements of ISO 9001.

In order to achieve this commitment, we will: -

- Structure our organisation, methods, and activities to meet the needs of our customers and drive customer retention.
- Comply with all relevant statutory regulatory requirements and continually strive to improve the effectiveness of the Quality Management System.
- Consistently provide the highest standards of workmanship and care.
- Deliver our commitments on time, every time.
- Set objectives and targets which will be reviewed to ensure continual improvement.

Overall responsibility for compliance with the commitments as stated in this Environmental Policy is vested in the CEO and or Managing Director of the Business Unit.
